Trade in your M2 MacBook Pro for up to $1,400*

Mac

Turn eligible devices into real savings that make upgrading more affordable.

Contact your Account Manager for more information

Contact us

Terms and conditions apply.

Trade-in values are estimates only and may vary based on device model, year, and condition. Final value is determined upon physical assessment of the device.

How it Works

Share Your Device Details

Send through the specifications or list of your existing Mac devices.

Receive a Trade-In Assessment

Our team will evaluate the devices and provide an accurate trade-in value.

Collection & Processing

We'll arrange pickup and complete the trade-in with secure, certified processes.

Why Trade-In?

Competitive Trade-In Value

We offer competitive trade-in values for eligible Apple devices, helping reduce upgrade costs and maximise overall budget efficiency.

Environmentally-Friendly Recycling

R2v3-certified recycling ensures responsible e-waste handling, prioritising reuse, safe material recovery, and environmentally conscious disposal.

Industry-Leading Data Erasure

Blancco-certified data erasure delivers secure, fully verified device wiping to protect sensitive information with confidence.

Planet Ark Seedling Initiative

Each device traded in plants a seedling through the Planet Ark Seedling Initiative, supporting reforestation and long-term environmental impact.
